

“He left his footprint on Northfield”

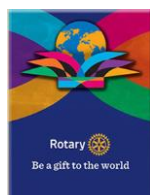

KEN BANK

A CELEBRATION

June 9, 2016 *9 hole golf event @6:30 pm – Dinner @8:00*

To honor, remember and celebrate

Ken Bank was a leader in our community who cared about people. He had a passion for education, health and supporting youth. He was instrumental in the development and growth of much throughout our community. We are holding this event to help us all remember Ken, celebrate and keep him with us. For those interested in honoring Ken and donating in his memory, may we recommend donating directly to one of these Northfield organizations, which Ken supported.
